PROFILE

Experienced WordPress Developer, Technical Support, and Operation Manager with a strong background in creating responsive websites, managing operations, and delivering top-notch customer service. Skilled in WordPress, bug fixing, SEO, and project management. Proven ability to handle large-scale events and manage multiple websites. My goal is to continue honing my skills and contributing to meaningful projects.

WORK EXPERIENCE

Raga Marketing   2023 - PRESENT
WordPress + Technical Support

- Currently, I'm a WordPress Developer and Technical Support at Raga Marketing, managing 63 websites, handling bug fixes, and working with tools like Elementor. I operate as a full-stack developer with a focus on WordPress.

Homeless World Cup   2023 - PRESENT
Operation Manager at WorldUnited.com

- As the Operation Manager at Homeless World Cup for WorldUnited.com, I oversee all aspects of the event, including operations, the shop sector, and payment management. I am responsible for managing the event and ensuring smooth operations and transactions.

Tech Potato's   2021 - 2023
Marketing Manager & Specialist

- Develop and maintain strong relationships with partners, agencies, and vendors to support marketing initiatives.
- Monitor and maintain brand consistency across all marketing channels and materials.
